SUBJECT: Telephone conversation with Mitch Mosier of IDEM on
ACS Closure Plan Status

FROM: Robert E. Swale, RPM 

TO: File

I talked today with Mitch Mosier of IDEM to determine the status of the public notice period for the ACS site and whether any comments had been received. He stated that surprisingly no comments had been received. I asked him when he would be having comments out to ACS on the closure plan and he said that he was planning to get them out soon, since the public notice period was over. I asked him to copy me on IDEM's comments concerning the closure plan and to copy me on any other RCRA correspondence sent to ACS. He said that he would.
